WHY THIS COLLECTION NOW

Schools need recognizable staff at entrances, dismissal areas, family events, athletic events and off-campus activities. The Ready-Day Collection offers practical, made-to-order apparel that can begin with a focused pilot rather than a large inventory commitment.

PREMIUM EMBROIDERY

A POLISHED LOOK FOR DAILY STAFF WEAR

High-visibility thread color, clean edges and dimensional stitch texture make logos and staff details stand out on professional garments.

BEST FOR

Performance polos, quarter-zips, caps, vests, jackets, employee names and department identifiers.

STANDARD INCLUSION

One standard left-chest embroidered logo up to approximately 8,000 stitches. Digital proof included before production.

OPTIONAL UPGRADES

Names, titles, sleeve details, patches, metallic thread and higher-stitch designs quoted separately.

The product imagery shows representative concepts. Final garment brand, colors, logo treatment and placement are confirmed during quoting and proof approval.
